Join or Renew now via [PayPal.com](https://www.paypal.com) with your credit card

Membership includes a subscription to the *Journal of Ethnobiology*. ISSN 0278-0771. Print this form and send it in or click on the link above to pay online via PayPal.com with your credit card. Due to rising service charges deducted from all Visa and Mastercard payments, we still request that members with U.S. checking accounts write checks to the Society of Ethnobiology to keep charges down. No checks in non-U.S. dollars can be accepted. We are also offering the option of renewing for 2 years. We appreciate all contributions to the Barbara Lawrence Award (Student Paper Competition).
